## The 26th Annual Children's National Medical Center Symposium on ECMO & Advanced Therapies for Respiratory Failure

### Address

Keystone Resort, Keystone, Colorado, United States

### Region West

**Contact** Billie Lou Short

**Phone** Hotel - 800-258-0437 800-258-0437

**Fax** 202-476-3459

**Email** [info2@ecmomeeting.com](mailto:info2@ecmomeeting.com)

**Website** <http://www.ecmomeeting.com/>

**CEUs** TBA

**Category** n/a

**Registration** \$590.00

### Description

The winter ECMO conference is a forum for the presentation and discussion of current therapies and techniques in extracorporeal Life Support and advanced therapies for respiratory failure.

This conference will address the educational needs of Pediatric Healthcare Workers involved in care of the neonatal or pediatric patient in respiratory &/or cardiovascular failure. State-of-the-art presentations on the use and latest technologies related to Neonatal and Pediatric ECMO, nitric oxide, and state-of-the-art ventilation techniques will be presented. Didactic presentation will be combined with panel discussions, and short research presentations to enhance the audience's knowledge in the area of the latest treatments for respiratory &/or cardiovascular failure, while enhancing their knowledge in the latest known in the pathophysiology of disease in this population. Outcome data for neonatal and pediatric respiratory failure patients will also be presented. Limitations and complications of new therapies will be discussed by experts in the field.

### Category 1

### Registration

\$275 - \$450

### Description

Since 1981, the Cardiothoracic Surgery Symposium has provided a premier educational forum for CCPs, MDs, PA-Cs, RNs, and biomedical professionals whose work relates to cardiovascular surgery. This annual CME/CEU symposium offers in-depth presentations, open discussions, and hands-on workshops on topics related to cardiovascular surgery and extra-corporeal perfusion. Its impressive exhibit show features a comprehensive display of new equipment and technology.
